This is the time to discover your dreams and make them a reality with the support of the SDSU community. SDSU accepts international first-year applications between October 1, 2023 and April 1, 2024 for fall (August) 2024 admission. SDSU does not offer spring admission.

Application Deadlines

- **Early Consideration Deadline—November 30, 2023**
Students who submit completed documents by this deadline will be notified of a decision by the end of January.
- **Regular Deadline—April 1, 2024**
Students who submit completed documents by this deadline will be notified on a rolling basis.

You can apply to SDSU as a first-year if you have:

- not yet graduated high school, but are on track to graduate with a high school diploma by spring 2024; or
- graduated high school, but have not taken college/university courses after graduation.

Steps to Apply

Step 1: Complete the Cal State Apply Application

Complete the online application at calstate.edu/apply and pay the \$70 USD nonrefundable application fee.

Step 2: Check Your Admission Status

After submitting the application, you will receive an acknowledgement email from San Diego State University that includes your RedID number, which is your SDSU student identification number, and instructions on how to log in to my.SDSU.

Step 3: Submit Unofficial High School Transcripts/Grade Reports

Unofficial transcripts/grade reports must be submitted from all high schools attended for initial evaluation and need to include original language, with certified English translations, if necessary. Refer to the Requirements by Country information at sdsu.edu/countryrequirements.

Step 4: Proof of English Proficiency

English proficiency is critical to your success. If your native language is not English, SDSU requires that you complete one of the following requirements:

Costs vary depending on the type of accommodation and meal plan selected. Visit housing.sdsu.edu to learn what it's like to live on campus.

University Pathways

Our University Pathway Program, through SDSU Global Campus, helps you acquire the tools needed to succeed in a degree program at San Diego State University or elsewhere.

Undergraduate Pathway Program

SDSU's Undergraduate Pathway Program (UPP) guarantees students admission into an SDSU degree program upon successful completion of UPP studies. While in the UPP program, you will begin earning credits towards your SDSU degree, prior to matriculation. The UPP program combines SDSU credit-bearing courses with English as a Second Language instruction, one-on-one academic advising, and immersive academic and cultural experiences. Our dedicated SDSU UPP team will help students smoothly transition into life as a student in the United States and at SDSU.

If you would like to focus on improving your academic English before enrolling in any SDSU credit courses, we invite you to apply to our English for Academic Purposes (EAP) program. Eligible international students can receive conditional admission to SDSU, and earn a TOEFL/IELTS waiver, without taking any SDSU credit-bearing courses.

Please visit sdsu.edu/upp for more information.
